University of New Hampshire
Pre-Professional Health Programs Advising

Re-Applicant Questions

Please answer the following questions in a Word document and submit with your Re-Applicant form.

Updates:

- Are you submitting new or updated letters of recommendation? Please list names and their relationship to you.

- Have you taken any coursework since you interviewed with the Committee? List courses and school. Send official transcripts to the Pre-Professional Health Programs Advising Office.

Previous Cycle:

- When did you submit your primary application?

- On average, how long did it take you to complete and submit your secondary applications?

- Did you interview at any schools?

- Were you waitlisted at any schools?

- List several differences in your application, or application strategy, from previous cycle(s).

Describe your activities since you interviewed with the UNH Committee. Describe how these activities relate to the strength of your application (one half page – one page in length).

- Work or volunteer experiences

- Coursework

- Other
