UNH FACULTY MENTOR RECOMMENDATION FORM

Student Applicant: Complete and sign the top portion of this form before giving it to your UNH faculty recommender.

Student’s Name: _________________________________________________________________________________

Major/College:  __________________________________________________________________________________

Title of Project: __________________________________________________________________________________

The Family Educational Rights and Privacy Act of 1974 and its amendments guarantee students access to educational
records concerning them.  Students are also permitted to waive their right of access to recommendations.

Student: “I waive my right to read this letter of recommendation.” □ Yes □ No

Student Signature: ______________________________________________________   Date: ____________________

The form below must be completed by the faculty mentor and, with a letter of recommendation, must be attached to the
original application in a sealed, signed envelope.  Please do not submit letters of recommendation via campus mail.

Application Deadlines:  • October 3, 2018  (for research during January Term or spring 2019)
• March 6, 2019  (for research during summer or fall 2019)

Faculty Mentor’s Name: ___________________________________________________________________________

Mentor’s Department/College: ______________________________________________________________________

Mentor’s Phone Number ________________________ Email Address:  _____________________________________

To the Faculty Mentor:
A. In advising your URA applicant, please review the following materials, which are included in the Faculty Mentor Memo provided
to you by the applicant – also available online at http://unh.edu/undergrad-research/undergraduate-research-awards-ura
1. Proposal Outline
2. Criteria for Evaluation of Applications

B. In a letter of recommendation attached to this form, please respond to the following questions:
1. Evaluate your past or present experience supervising the student in coursework or research.
2. How well prepared is the student to undertake the project in the time period allowed?
3. What is the significance of the project and its potential educational value for the student?
4. What is the relationship between the student’s project and your own research or areas of expertise?
5. If you are supervising more than one applicant, or if your applicant is continuing research done by previous Hamel Center
   award recipients, please explain the relationship between these various research projects.

Note: If you hope to mentor more than two student projects during the same research period – i.e., during the academic year or
summer (including REAP, SURF, IROP, and Undergraduate Research Awards combined) – please see the note on p. 2 of the
Faculty Mentor Memo.

I have reviewed the student's application (cover sheet, proposal, budget) and completed the Faculty Mentor Recommendation Form,
and I agree to mentor this project, if funded.

Signature......................................................................................................................... Date ____________________

Please attach your letter of recommendation to this cover sheet; place it in a sealed, signed envelope; and give it to the
applicant for submission to the Hamel Center for Undergraduate Research.
