SUPPORT UNDERGRADUATE RESEARCH at UNH

through donations to the Hamel Center for Undergraduate Research

*IROP International Research Opportunities Program

*UROP Undergraduate Research Opportunities Program

*Undergraduate research awards are funded SOLELY by gifts from our generous donors—not by UNH, tuition dollars, or the state of New Hampshire. Every year we have more talented undergrad researchers apply for grants than grant money to give to them.

*Every contribution goes a long way because it goes DIRECTLY to student awards: Even $50 makes a big difference to the student.

Want to support IROP or UROP? HERE’S HOW:

Go to

https://foundation.unh.edu/make-gift

You will be prompted to “Please select the fund(s) you would like to support.” Scroll all the way down to the bottom of this list to find . . .

“Other.” Click on that!

Type in Hamel Center for Undergraduate Research.

If you have any “special instructions” for your gift – for example, if you wish to support international (IROP) or domestic (UROP) research specifically, or if you wish to support research in a specific discipline – please indicate this in the space provided on the form and we will match your gift with a student in a particular research program or field. If you have no special instructions, your donation will go to the student/program with the greatest need. If you’d like to learn more about all of the Hamel Center’s grant programs, go to http://www.unh.edu/undergrad-research.

100% of your donation will go to student support.

One more favor: When you donate, send an e-mail to me, georgeann.murphy@unh.edu, so I can follow up with our colleagues in the Foundation and ensure your gift gets used right away.

I’m happy to answer any questions, or tell you more about our programs.

THANKS FOR YOUR SUPPORT OF UNDERGRADUATE RESEARCH
