## **Martin Kimani**

Martin Kimani is the ambassador extraordinary and plenipotentiary and permanent representative of Kenya to the United Nations. He also serves as the Kenyan president's special envoy for countering violent extremism and is the immediate past director of Kenya's National Counter Terrorism Centre.

Previously, he served as permanent representative and head of mission to the UN in Nairobi, the UN Environment Programme and the UN Human Settlements Programme. Before joining Kenya's public service, he was the director of the Intergovernmental Authority on Development's Conflict Early Warning and Response Mechanism in Ethiopia.

Over the past 20 years, Martin has worked to a senior level in the global currency and bond markets, political risk advisory, and peace and security in Africa.

He graduated with a degree in philosophy from the University of New Hampshire in 1996, then went on to earn a master's degree and a Ph.D. in war studies at King's College, University of London, in 2003 and 2010, respectively.

He was honored for his service by the president of Kenya with the Chief of the Order of the Burning Spear award, which is one of the highest commendations a citizen can receive.

# HONORARY DEGREE

## **Josephine A. Lamprey**

Josephine A. Lamprey is a retired New Hampshire business leader, environmental pioneer and benefactor of sustainability programs at UNH. Her commitment to climate research and education, philanthropy and volunteer service has made an enduring impact on our university and on our state.

As the owner of Lamprey Brothers, a full-service heating and cooling company her family founded in 1923, she watched the climate change documentary, “An Inconvenient Truth.” It inspired her to refocus the company from selling oil to helping customers explore cleaner, more efficient energy solutions.

Before joining the family business, she served as president of InterQual, a healthcare management and consulting firm focused on quality and cost containment for hospitals. She co-founded the company in 1976 after working as a nurse and recognizing an industry-wide need for quality assurance programs. InterQual became an industry leader, and Lamprey sold the business to Access Health in 1998.

She has served on numerous Seacoast area boards, including Friends Forever International, Families First, The Music Hall and the Portsmouth Symphony Orchestra. She also helped launch the New Hampshire Charitable Foundation’s Climate Action Fund.

In 2012, she established The Josephine A. Lamprey Professorship in Climate and Sustainability at the UNH Sustainability Institute. Additional gifts to UNH, where she serves on the Foundation board of directors, have supported climate fellows in the UNH Sustainability Institute and the green grid at the UNH/Cornell Shoals Marine Laboratory, as well as social innovation at the Carsey School of Public Policy.

## Academic Regalia

---

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

### GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

### CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

### HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

Agriculture — Maize  
Arts, Letters, Humanities — White  
Business Administration — Light Brown  
Education — Light Blue  
Engineering — Orange  
Forestry — Russet  
Law — Purple  
Library Science — Lemon  
Music — Pink  
Philosophy — Dark Blue  
Public Health — Salmon Pink  
Science — Golden Yellow  
Theology — Scarlet

### ACADEMIC HONORS EMBELISHMENTS

##### Gold and White Cords

Gold cords are worn by UNH Presidential Scholars, seniors graduating with a cumulative grade-point average of 3.85 or higher. White cords are worn by University Scholars, seniors graduating with a cumulative grade-point average between 3.5–3.84 (3.5–4.0 for Associate Degree candidates). These cords are presented at the Honors Convocation every spring.

#### MILITARY HONOR CORDS

Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

#### UNIVERSITY MACE

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

#### ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

#### UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the procession by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

### *Alma Mater*

---

New Hampshire, alma mater,  
All hail, all hail to thee!  
Behind thee tow'r the mountains,  
Before thee roars the sea.  
Thy sons and daughters ever  
Thy praises loud will sing.  
New Hampshire, alma mater,  
Accept our offering.

We love thee, old New Hampshire,  
And to the White and Blue,  
Where'er our work shall call us,  
We always will be true.  
We'll ever guard thy honor,  
Bright shall thy mem'ry be.  
New Hampshire, alma mater,  
All hail, all hail to thee!

*As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N'dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.*
