HONORARY DEGREE

Martin Kimani

Martin Kimani is the ambassador extraordinary and plenipotentiary and permanent representative of Kenya to the United Nations. He also serves as the Kenyan president's special envoy for countering violent extremism and is the immediate past director of Kenya's National Counter Terrorism Centre.

Previously, he served as permanent representative and head of mission to the UN in Nairobi, the UN Environment Programme and the UN Human Settlements Programme. Before joining Kenya’s public service, he was the director of the Intergovernmental Authority on Development’s Conflict Early Warning and Response Mechanism in Ethiopia.

Over the past 20 years, Martin has worked to a senior level in the global currency and bond markets, political risk advisory, and peace and security in Africa.

He graduated with a degree in philosophy from the University of New Hampshire in 1996, then went on to earn a master’s degree and a Ph.D. in war studies at King’s College, University of London, in 2003 and 2010, respectively.

He was honored for his service by the president of Kenya with the Chief of the Order of the Burning Spear award, which is one of the highest commendations a citizen can receive.
The Huntington Family

Since 1976, the Huntington Family has grown a thriving Granite State business that is making the world more beautiful, sustainable and healthy. Today, Pleasant View Gardens is one of New England’s largest wholesale greenhouse businesses, with facilities covering 40 acres, 120 full-time employees and shipping up to 25,000 trays of plants a day across the country.

PVG is a founding partner of the Proven Winners cooperative, the top consumer plant brand in America. PVG is also a founding partner of WinGen, a genetic plant breeding business; and Ticoplant, a stock facility in Costa Rica. In 2017, PVG launched lēf Farms, a hydroponic greens business, which was purchased by a national firm in 2021.

At UNH, their roots certainly run deep. Jonathan Huntington graduated in 1950, followed by sons Jeffrey ’76 and Henry ’80. Jeffrey’s son, Andrew, graduated in 2002; and Henry’s son, Jon, completed his MBA in 2018. Together with Henry and Jeffrey’s sister, Anne Huntington, they share a lifelong passion for service and philanthropy. As the COVID-19 pandemic lingered in 2020, the family provided front-line healthcare workers across New Hampshire, Massachusetts, New York and New Jersey with more than $250,000 in baby greens, for a total of 50,000 meals.

Huntingtons have served on the COLSA Development Board, the UNH Business Advisory Council, and the UNH Alumni Association Board of Directors. They also helped create the UNH Center for Family Business, which honored PVG as the Family Business of the Year in 2010. They established the Huntington Family Scholarship Fund in 2008, which supports UNH students studying plant science, horticulture and/or sustainable agriculture; and the Eleanor Rippe Huntington Nursing Scholarship in 2018, which supports undergraduate and graduate students in nursing.

To the University of New Hampshire Class of 2022:

Congratulations on earning your degree from the University of New Hampshire! Your academic achievement is something that you will be proud of for your lifetime. Whether your next step is entering a career track or pursuing advanced specialization in your field, the education you have received from UNH provides you with critical knowledge and skills that will serve you no matter what direction your journey takes you. The Trustees of the University System of New Hampshire congratulate you on your success and extend our continued good wishes as you enter a new chapter of personal and professional accomplishment.

The faculty and staff at UNH have eagerly sought ways to help you find opportunities to become connected to campus life and to your community of Durham, New Hampshire. We encourage you to carry on this tradition of engagement in the future—in the communities you serve and as members of the University of New Hampshire Alumni Association.

The USNH Trustees would also like to acknowledge the families of UNH graduates for the many ways they have demonstrated their support for you. We understand how important that support is to your success and the commitment it requires. Whether you are a traditional or non-traditional-age student, a graduate student, a veteran, or a first-generation student, the role family and friends play cannot be overestimated.

And finally, we encourage you to reflect upon the dreams and aspirations that brought you to UNH, and to seek out and to excel at the many opportunities that lie ahead.

With all good wishes,
Joseph G. Morone, Chair
Board of Trustees

Congratulations UNH Graduates…
Welcome Wildcats!

Congratulations to the Class of 2022 and welcome to “UNH for a lifetime!” Today you join the ranks of more than 140,000 alumni worldwide as part of an exclusive network that will provide you lifelong social and professional enrichment.

Enjoy this special day! You’ve earned it. Celebrate now, and enhance our Wildcat world in the days to come by staying in touch and sharing your journey as an inspiration to others. Remember, every day is a great day to be a Wildcat!
Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN
The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor’s, the master’s, and the doctor’s. The bachelor’s and the master’s gowns are untrimmed. The doctor’s gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH’s 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS
Caps are normally black. The tassel is worn on the right side until the bachelor’s degree is conferred; then the tassel is worn on the left.

HOODS
Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:
Agriculture — Maize
Arts, Letters, Humanities — White
Business Administration — Light Brown
Education — Light Blue
Engineering — Orange
Forestry — Russet
Law — Purple
Library Science — Lemon
Music — Pink
Philosophy — Dark Blue
Public Health — Salmon Pink
Science — Golden Yellow
Theology — Scarlet
ACADEMIC HONORS EMBELISHMENTS

STOLES AND CORDS
Honors Stoles
Stoles are worn by University Honors Program Presidential Scholars, seniors distinguished for 32 credits of Honors work, including a 4–8 credit independent research project (senior thesis) and a cumulative grade-point average of 3.85 or higher, as well as University Honors Program Scholars, seniors distinguished for 32 credits of Honors work, including a 4–8 credit independent research project (senior thesis) and a cumulative grade-point average of 3.5–3.84.

Gold and White Cords
Gold cords are worn by UNH Presidential Scholars, seniors graduating with a cumulative grade-point average of 3.85 or higher. White cords are worn by University Scholars, seniors graduating with a cumulative grade-point average between 3.5–3.84 (3.5-4.0 for Associate Degree candidates). These cords are presented at the Honors Convocation every spring.

MILITARY HONOR CORDS
Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

UNIVERSITY MACE
The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION
The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS
The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.
Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow’r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where’er our work shall call us,
We always will be true.
We’ll ever guard thy honor,
Bright shall thy mem’ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

H. F. Moore, Class of 1898

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N’daakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University’s responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the ambassadors who served as hosts for today’s ceremony.
The University is part of the University System of New Hampshire.
