# HONORARY DEGREE

## NORBU TENZING NORGAY '86

Norbu Tenzing Norgay has served as vice president of the American Himalayan Foundation, a nonprofit that brings shelter, safety, health and opportunity to people across the Himalaya, since 1993.

The American Himalayan Foundation supports vital education, health care and cultural and environmental preservation throughout the Himalaya and each year touches the lives of 300,000 Sherpas, Nepalis and Tibetans. Since the beginning of COVID, the foundation has served 6 million meals in communities throughout the region.

Norgay earned a Bachelor of Arts in student design from the University of New Hampshire in 1986 and says of his time in the Granite State: “I used to go to Tuckerman’s Ravine or up to Mount Washington to ski. I was always grateful for my education there, not just in class but in the outdoors and living in New Hampshire and meeting the kinds of people I met.”

Norgay is the son of history’s most famous Sherpa, Tenzing Norgay. Along with Edmund Hillary in 1953, Tenzing Norgay – described by Time as one of the most influential people of the 20th century – became the first person known to have reached Everest’s summit. Last year marked the 70th anniversary of his father’s famous ascent, and Norgay traveled around the world, stopping in the UK, Switzerland, New Zealand and other locations to speak about the challenges Sherpas face, most notably those related to the changing climate.

Norgay lives in San Francisco but often travels to his native Himalaya to visit the many projects from Mustang to the Khumbu. He is also deeply familiar with the issues surrounding tourism in the Himalayas, especially the risks and challenges faced by Sherpas and mountaineering workers.

## Academic Regalia

---

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

### GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

### CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

### HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

- Agriculture — Maize
- Arts, Letters, Humanities — White
- Business Administration — Light Brown
- Education — Light Blue
- Engineering — Orange
- Forestry — Russet
- Law — Purple
- Library Science — Lemon
- Music — Pink
- Philosophy — Dark Blue
- Public Health — Salmon Pink
- Science — Golden Yellow
- Theology — Scarlet

## Academic Honors Embellishments

---

### STOLES AND CORDS

#### Honors Stoles

Stoles are worn by University Honors Program Presidential Scholars, seniors distinguished for 32 credits of Honors work, including a 4–8 credit independent research project (senior thesis) and a cumulative grade-point average of 3.85 or higher, as well as University Honors Program Scholars, seniors distinguished for 32 credits of Honors work, including a 4–8 credit independent research project (senior thesis) and a cumulative grade-point average of 3.5–3.84.

#### Gold and White Cords

Gold cords are worn by those graduating Summa Cum Laude, seniors graduating with a cumulative grade-point average of 3.85 or higher. White cords are worn by those graduating Cum Laude and Magna Cum Laude, seniors graduating with a cumulative grade-point average between 3.5–3.84.

### MILITARY HONOR CORDS

Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

### UNIVERSITY MACE

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

### ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

### UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

## Alma Mater

---

New Hampshire, alma mater,  
All hail, all hail to thee!  
Behind thee tow'r the mountains,  
Before thee roars the sea.  
Thy sons and daughters ever  
Thy praises loud will sing.  
New Hampshire, alma mater,  
Accept our offering.

We love thee, old New Hampshire,  
And to the White and Blue,  
Where'er our work shall call us,  
We always will be true.  
We'll ever guard thy honor,  
Bright shall thy mem'ry be.  
New Hampshire, alma mater,  
All hail, all hail to thee!

## Land Acknowledgement

---

*As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N'dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.*

The Commencement Committee wishes to thank all of the volunteers who served as hosts for today's ceremony.

*The University is part of the University System of New Hampshire.*
