HONORARY DEGREE

ASTRONAUT W. SCOTT “KIDD” POTEET ’96 LT. COL., USAF (RET.)

W. Scott “Kidd” Poteet ’96 is a retired U.S. Air Force Lieutenant Colonel, decorated fighter pilot, private astronaut and endurance athlete. With over 20 years of military service, he has shown exceptional leadership in aviation, spaceflight and business.

Born in Chattanooga, Tennessee, Poteet earned a B.S. in outdoor education from the University of New Hampshire and a master’s degree in counseling and leadership from the University of Colorado, in collaboration with the Air Force Academy.

Poteet discovered his love for flying at UNH during a KC-135 refueling flight as part of the Air Force ROTC program. Seeing an F-16 being refueled hooked him for life. He credits that moment - along with lessons from UNH’s outdoor education program, ROTC and the cross-country team - for shaping his path. “I never dreamed of being an astronaut, but through those programs we learned to push ourselves, work as a team and try new experiences,” said Poteet. “UNH taught me to embrace challenges.”

His military career took off as a fighter pilot, leading to roles such as Commander of the 64th Aggressor Squadron and Number 4 Demonstration Pilot for the USAF Thunderbirds. He flew over 3,200 hours, including 400 in combat.

After retiring, Poteet moved into leadership roles at Draken International and Shift4, and served as Mission Director for *Inspiration4*, the first all-civilian spaceflight, which raised over \$240 million for St. Jude Children’s Research Hospital.

In 2024, he piloted Polaris Dawn, featuring the first commercial spacewalk, and his legacy continues to inspire future leaders in aviation and space.

Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

Agriculture — Maize
Arts, Letters, Humanities — White
Business Administration — Light Brown
Education — Light Blue
Engineering — Orange
Forestry — Russet
Law — Purple
Library Science — Lemon
Music — Pink
Philosophy — Dark Blue
Public Health — Salmon Pink
Science — Golden Yellow
Theology — Scarlet

Gold and White Cords

Gold cords are worn by those graduating Summa Cum Laude, seniors graduating with a cumulative grade-point average of 3.85 or higher. White cords are worn by those graduating Cum Laude and Magna Cum Laude, seniors graduating with a cumulative grade-point average between 3.5–3.84.

MILITARY HONOR CORDS

Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

UNIVERSITY MACE

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow'r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where'er our work shall call us,
We always will be true.
We'll ever guard thy honor,
Bright shall thy mem'ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

H. F. Moore, Class of 1898

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N'dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the
volunteers who served as hosts for today's ceremony.

University of
New Hampshire

The University is part of the University System of New Hampshire.
