HONORARY DEGREE

LOUIS C. D'ALLESANDRO FORMER NEW HAMPSHIRE STATE SENATOR

Senator Lou D'Allesandro is a seasoned public servant and a prominent figure in New Hampshire politics. He represented the state's 20th District in the New Hampshire Senate from 1998 to 2024, making him one of its longest-serving legislators. Born in Boston, Massachusetts, he was a first-generation college student who earned his undergraduate degree from the University of New Hampshire and pursued graduate studies at Rivier University and New England College.

Before serving in the Senate, he held roles in the New Hampshire House of Representatives and the Executive Council. He built a reputation as a passionate advocate for higher education, working to expand scholarship programs, secure funding for public colleges, and increase access for New Hampshire students.

Beyond education, D'Allesandro focused on economic development, job creation, and veterans' services. He supported initiatives to grow the workforce, bolster small businesses, and enhance resources for military families. His bipartisan leadership helped shape meaningful legislation across the state.

D'Allessandro got into politics to make a difference, and he is passionate about building and fostering relationships. He credits much of his political success and his life's happiness to his roots at UNH, where professors and the UNH community inspired and nurtured both his commitment to the common good and his political shrewdness. A history major, D'Allessandro met his wife, Patricia '61, at UNH and played football, lacrosse and baseball. He was inducted into the UNH Athletics Hall of Fame in 2010. His memories and friendships from UNH have made an indelible and joyful impact on his life.

His commitment to civic engagement continues to shine, and with decades of experience and a steadfast focus on public service, he remains a key voice in shaping New Hampshire's future.

Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

Agriculture — Maize
Arts, Letters, Humanities — White
Business Administration — Light Brown
Education — Light Blue
Engineering — Orange
Forestry — Russet
Law — Purple
Library Science — Lemon
Music — Pink
Philosophy — Dark Blue
Public Health — Salmon Pink
Science — Golden Yellow
Theology — Scarlet

UNIVERSITY MACE

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow'r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where'er our work shall call us,
We always will be true.
We'll ever guard thy honor,
Bright shall thy mem'ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

H. F. Moore, Class of 1898

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N'dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the
volunteers who served as hosts for today's ceremony.

University of
New Hampshire

The University is part of the University System of New Hampshire.
