

UNH Spring Reunion Weekend FAQs

1. WHAT is Reunion?

Reunion is a beloved UNH tradition! Each year, Wildcats return to Durham to reconnect with classmates, reminisce about the good old days, and discover what's new on campus—while celebrating everything that's stayed the same.

- **60th, 55th & 50th Reunions:** Celebrated in the spring (typically the first weekend in June)
- **25th & Young Alumni Reunions (20th–1st):** Celebrated in the fall (typically during Homecoming Weekend)

And it doesn't stop there—non-milestone classes and affinity groups are always welcome to join the fun. At the end of the day, **Reunion is whatever you and your UNH friends want it to be!**

2. **Learn something new** - Whether you learn it from a classmate, faculty or staff member, student, or the new president of UNH, reunions are a terrific time to come back to Durham and learn about some of the amazing new initiatives happening on campus right now!
3. **Nostalgia and Reflection** - Revisiting UNH, seeing familiar faces, and reflecting on past experiences has proved to be a deeply nostalgic and fulfilling experience.
4. **Create New Memories** - Beyond reminiscing, reunions offer the opportunity to create new memories with people who played a significant role in your earlier life.
5. **Support Alumni Initiatives** - Reunions involve supporting alumni initiatives, whether through fundraising to support student and university priorities or volunteering on your reunion committee!
