Career and Professional Success (CaPS) – The CaPS helps students identify interests, skills, and values that lead to a major and post-UNH experience. They assist students with writing resumes and cover letters, finding jobs or internships, and applying to graduate school.

Center for Academic Resources (CFAR) – CFAR provides study training, drop-in tutoring, and study groups for selected courses (often math, science, and business courses). CFAR also offers individual academic mentoring for eligible students.

Connors Writing Center (CWC) – The CWC offers free, one-on-one writing conferences to current members of the UNH community: students, faculty, and staff. We work with writers from all disciplines on many different kinds of academic writing. Our fifty-minute conferences are conducted by trained writing assistants, who are UNH undergraduate and graduate students.

Dimond Library – The UNH Library supports the educational and research activities of the students, faculty, and staff of the University of New Hampshire. Library locations offer wireless internet access, computer workstations, individual student and collaborative work spaces, and assistance by knowledgeable librarians and staff. Students, staff, and faculty can also work with the Library’s Subject Librarians, who provide instruction and research assistance.

English as a Second Language (ESL) Institute – The ESL Institute is designated for students who want to develop their English language skills and learn more about American culture. ESL courses are offered at UNH during the summer and the academic year.

Health & Wellness – Health & Wellness provides whole person-centered care and services, illness prevention and health promotion, co-curricular learning opportunities, and public health leadership and expertise. All are tailored to support our students’ health, wellbeing, and personal development, the health of the campus community and the mission of our University.

Hi, English Learning Partner (HELP) – HELP is an academic club at the University of New Hampshire that helps ESL students improve their English writing abilities and understand American culture.

Military and Veteran Services – Military and Veteran Services provides the highest quality service and support to Student Veterans, Service Members, and other military-affiliated student such as dependents, as outlined in the Veteran Administration’s Principles of Excellence and 8 Keys of Success.

Office of International Students and Scholars (OISS) – OISS is here to welcome you. We provide immigration advising and support and coordinate programs to bring our international, campus, and local communities together. OISS will help you discover opportunities at UNH to immerse in American culture and share your own traditions with others from the U.S. and from around the globe.
Office of Multicultural Student Affairs (OMSA) – OMSA creates opportunities for people to participate in an inclusive community and to explore and understand diversity, social justice, inclusion, and equity via educational presentations, workshops, professional development and leadership opportunities, retreats, brown-bag discussions, etc. We serve all members of the UNH community through these various opportunities and beyond.

Psychological and Counseling Services (PACS) – PaCS is committed to serving UNH’s diverse campus by providing students with support and education for their person and academic success through confidential counseling, psychiatric consultation, and outreach and prevention services.

Sexual Harassment and Rape Prevention Program (SHARPP) – SHARPP’s mission is to eliminate sexual and intimate partner violence. SHARPP’s mission is accomplished in two parts: by providing free and confidential advocacy and direct services to all survivors and their allies; and by offering culturally competent awareness and prevention programs to the University of New Hampshire community.

Student Accessibility Services (SAS) – Accessibility Services assists students with documented disabilities (physical, medical, LD or ADD/ADHD, psychological, or chronic illness) by providing appropriate accommodations and support within the university environment.
